CLAAS Harvest Centre

OUR DEALERSHIP NETWORK

○ CLAAS HARVEST CENTRES

● PARTNER DEALERS

WHO WE ARE

We have enjoyed brand partnerships of over 40 years with premier manufacturers including CLAAS, AMAZONE, GRIMME, JCB (NZ) and Väderstad (AU). We are 100% family owned and deliver integrated farm machinery solutions including combine and forage harvesters, tractors, telehandlers, mowers, balers, spreaders and seeding, tillage and spray equipment.

We pride ourselves on our 24/7 in-harvest after-sales promise, supply genuine parts and offer technical service support to our customers that is second to none.

CLAAS Harvest Centres are located throughout Australia and New Zealand.

GEARING UP FARMERS TO SUCCEED

We help farmers make the most of their land, each and every season.

“When they succeed, we succeed.”

WE ARE SEEKING TALENTED AND MOTIVATED INDIVIDUALS TO TAKE THE APPRENTICESHIP JOURNEY

THE ROLE

Start a rewarding career in an industry that always gives back to its people with our Agricultural Technician Apprenticeship Program (ATAP). Globally there is a huge need for people with this technical specialisation and agriculture is an industry that is constant and will always be needed. You will have the opportunity to grow and develop into a trade qualified Service Technician/Diesel Mechanic. You will work on world-class brands and will receive world-class training. You will do all of this in a hardworking, yet enjoyable environment.

THE CULTURE

You will be working in an environment that invests in people, supports innovation and encourages growth.

We are values driven and committed to the ongoing improvement of our health, safety and wellbeing culture to ensure everyone gets home safe every day. Our values of In It Together, Front Up, and Keep Growing form the backbone of what is a dynamic business, providing a challenging and stimulating environment.

WHO YOU ARE

We are looking for people who:

- ▶ Have a passion for machinery and agriculture
- ▶ Want to learn and embrace new experiences to increase your skills
- ▶ Provide excellent customer service by acting in a prompt and professional manner
- ▶ Have a high standard of teamwork
- ▶ Are courteous and helpful and can lead by example
- ▶ Show initiative and go the extra mile by doing what it takes to deliver
- ▶ Have a genuine commitment to improving health, safety and wellbeing outcomes
- ▶ May have completed a pre-trade course and / or have work experience in a related mechanical / trade field

If this sounds like you, then take the next step on your journey with us and enquire about ATAP today.

WHAT WE OFFER YOU

- ▶ An Australian Certificate III in Heavy Commercial Vehicle Mechanical Technology (specialising in Agricultural Mechanical) or a New Zealand Certificate in Heavy Automotive Engineering – Agricultural Equipment (Level 3-4).
- ▶ The opportunity to ‘earn while you learn’
- ▶ The opportunity to work with some of the world’s most technologically advanced agricultural machinery
- ▶ A supportive environment with assigned mentors
- ▶ World class training delivered in Australia and New Zealand
- ▶ The opportunity for career progression within the Australasian CLAAS Harvest Centre network
- ▶ An opportunity to Grow With Us

YOUR CAREER PATHWAY

Landpower and CLAAS Harvest Centre are committed to investing in their people. There is a wide range of opportunities for development and growth within the company, outlined below are just some of the career opportunities that are available:

**THE ATAP PROVIDES THE
OPPORTUNITY TO GAIN
A QUALIFICATION AND
'EARN WHILE YOU LEARN'**
